FIVE WAYS TO MAKE NEW FRIENDS

Everyone friends. We these principles:

1. 1 want / make 2 suggest / follow
3 decide / be friendly to everyone you meet. Take advantage of every opportunity.
2. Even if you 4 not feel like / socialize 5 learn / show interest in at least one new person
every day. 6 not expect every new acquaintance 7 become a real friend, but if you
8 would like / meet new friends, this is a good way to start.
3. 9 be sure / ask new acquaintances questions about themselves. People 10 enjoy / talk
about themselves.
4. too much about yourself. 12 practice / ask people questions about their
interests and opinions before you 13 begin / tell them about your own.
5. If you 14 decide / get together later, 15 plan / do something that you both like. If your new friend
has different interests from yours, say you 16 not mind / try something new.
