This Certificate of Insurance contains a Summary of Cover - please refer to the full Terms and Conditions contained in the Master Policy Document issued to you for full details, including important information regarding co-payment and other terms and conditions relating to your policy. If you were not provided with a copy of the Master Policy Document, please ask for a copy. You can also verify your cover by clicking [here](#). This policy does not cover pre-existing medical conditions, please refer to the Master Policy Document for full details of the terms and conditions to ensure this insurance meets your needs.

Cover will automatically be extended by up to 10 days to provide cover during the 10-day grace period allowed by the local authorities unless you have a 96-hour policy where this does not apply.

IMPORTANT: the 10-day grace period of the policy may only be utilised if you are within the grace period of the visa at the date of a claim.

Your cover will be effective from the date you enter the GCC (UAE, Oman, Bahrain, Kuwait, Qatar & Saudi Arabia) as stamped on your passport and will apply for the Validity Period stated above (number of days) provided you enter the GCC (UAE, Oman, Bahrain, Kuwait, Qatar & Saudi Arabia) within 70 days of the policy issue date shown on this certificate. If you become a GCC (UAE, Oman, Bahrain, Kuwait, Qatar & Saudi Arabia) resident of the country you are travelling to during the policy period then you will not have coverage under this policy from the issue date shown on your residency visa.

Should the need arise to extend your policy cover period as a result of extending your visa, please reach out to the agent/broker that issued your policy who may be able to arrange an extension in accordance with the below conditions. The option to extend the policy is not available if you have a 96-hour policy.

1. The maximum duration for any policy extension is thirty (30) days.
