**3. DESCRIPCIÓN E INTENCIÓN FORMATIVA DE LA ASIGNATURA:**

El inglés como lengua extranjera tiene como objetivo satisfacer la creciente demanda de comunicarse en inglés para obtener mejores oportunidades educativas o laborales y una interacción más significativa con otras culturas. La sociedad ecuatoriana requiere futuros profesionales con competencias comunicativas en inglés bajo estándares internacionales según el Marco Común Europeo de Referencia (MCER 1 al intermedio B1+) A1, A2, B1. B1 - Puede comprender los puntos principales de una información estándar y clara sobre temas familiares que se encuentran habitualmente en el trabajo, la escuela, el ocio, etc. - Puede afrontar la mayoría de situaciones que puedan surgir mientras viaja en una zona donde se habla el idioma. - Puede producir textos sencillos y relacionados sobre temas familiares o de interés personal. - Puede describir experiencias y acontecimientos, sueños, esperanzas y ambiciones y dar brevemente razones y explicaciones de opiniones y planes. El Aprendizaje del Idioma Inglés se aborda desde un enfoque que integra teoría y práctica, lo cual facilita la comprensión y la aplicación efectiva de los conocimientos adquiridos. Estos conocimientos están alineados con los ejes de formación, Comunicación, Desarrollo Humano, Ética y Valores, lo que promueve una formación integral y coherente con los principios educativos establecidos. Plan Nacional de Desarrollo 2024 – 2025: Orientado a la consecución de competencias que propendan al encauce y concreción del Plan Nacional de Desarrollo 2024 – 2025 en armonía con la Coordinación de Competencias Lingüísticas (C.C.L) la misma que se alineará al Objetivo 2: Que impulsa las capacidades de la ciudadanía con educación equitativa e inclusiva de calidad y promoviendo espacios de intercambio cultural. English as a foreign language aims to satisfy the increasing demand to communicate in English to obtain better educational or job opportunities and more meaningful interaction with other cultures. The Ecuadorian society requires future professionals with English communicative competences under international standards according to the Common European Framework of Reference (CEFR 1 to intermediate B1+) A1, A2, B1. B1 - Can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc. - Can deal with most situations likely to arise while traveling in an area where the language is being spoken. - Can produce simple connected text on familiar topics or of personal interest. - Can describe experiences and events, dreams, hopes, and ambitions and briefly give reasons and explanations for opinions and plans. English Language Learning approach integrates theory and practice, which facilitates the understanding and effective application of the acquired knowledge. This knowledge is aligned with the training axes, Communication, Human Development, Ethics and Values, which promote comprehensive training consistent with established educational principles. National Development Plan 2024 - 2025: Oriented towards the achievement of competencies that promote the channeling and realization of the National Development Plan 2024 - 2025 in harmony with the Coordination of Linguistic Competencies (C.C.L), which will align with Objective 2: What drives the capabilities of citizens with equitable and inclusive quality education and promoting spaces for cultural exchange.
