

NAME: _____

DATE: _____

Inductive Grammar Chart
(Unit 2, page 17)

GRAMMAR. Drawing conclusions with must

Look at these examples.

1. A: I think I just broke my tooth!

B: Oh, no. That **must hurt**.

2. A: The doctor said I should come in next week.

B: That's, good. It **must not be** an emergency.

FIGURE IT OUT . . .

1. Look at example 1 in the chart. Complete the grammar rule.

Use _____ and the base form of a verb to indicate that you think something is probably true.

2. Look at example 2 in the chart. Complete the grammar rule.

Add _____ before the main verb in the sentence to form the negative with must.
