READING Staying in Hotels

New York City offers many hotel options for every type of traveler and every budget. Here are five great hotels, from budget to very expensive.

1. City Budget Inn

City Budget Inn is perfect for travelers who want to save money. Rooms are small but clean. It offers **free Wi-Fi, shared bathrooms**, and a simple **breakfast**. It's close to subway stations and costs only **\$70 per night**.

2. Midtown Comfort Hotel

This hotel is located in **Midtown Manhattan**, close to Times Square. It offers **private bathrooms, TVs, and air conditioning**. Guests enjoy a **continental breakfast** and **free coffee all day**. Rooms cost about **\$150 per night**.

3. The Broadway Stay

A good option for couples or business travelers. It has **modern rooms, a business center, and room service**. The hotel is near **theaters and restaurants**, and rooms cost about **\$220 per night**.

4. Skyline Luxury Suites

This hotel has **large suites, a fitness center, and a restaurant with city views**. Located near Central Park, it also offers **airport shuttle service**. Prices start at **\$350 per night**.

5. Empire Grand Hotel

This is one of New York's most famous hotels. It includes a **spa, indoor pool, fine dining, and personal concierge service**. Rooms are very large and beautifully decorated. Prices begin at **\$700 per night**.

No matter your budget, New York has hotels with different **amenities, services, and locations**. Whether you want comfort, luxury, or savings, you can find the right hotel for your stay.
